GAMI CORPORATION INDONESIA

INDONESIAN SEAFOOD SOURCING

Frozen shrimp, squid and fish, arranged through approved processing partners.

SEAFOOD SOURCING

PT GAMI MARINE INDONESIA

Sourcing and export trading · Pontianak, Indonesia

HOW WE WORK

Seafood arranged through approved partners.

GAMI Corporation (PT Gami Marine Indonesia) is a sourcing and export trading company in Pontianak, West Kalimantan. We arrange frozen and chilled seafood through approved processing partners and licensed export partners. We handle specification, packing and communication; export documents are issued with the partner. No live products.

Tell us what you need

Product, form, quantity, destination and intended use.

We confirm with the supplier

Availability, specification and packing, with photos or video of the actual goods.

Sample, then order

Paid samples first; shipment after proforma invoice and deposit.

Destination requirements (health certificate, approved-establishment status) are checked with the buyer before quoting.

SHRIMP

Frozen shrimp to your specification.

Farm-raised whiteleg (Litopenaeus vannamei) and black tiger shrimp.

Forms and sizes

HOSO, HLSO, PD.
Sizes 20/30 to 61/70 pcs/kg.

Freezing and glaze

IQF, semi-IQF or BQF.
Glaze 0%, 10% or 20% of net weight.

Packing

1–2 kg inner bag or box.
10–20 kg master carton.

FRESHWATER PRAWN

Giant freshwater prawn (udang galah).

Macrobrachium rosenbergii. Whole prawns, chilled on ice or frozen.

Forms and sizes

Whole head-on (HOSO); headless (HLSO) on request.
Graded by pcs/kg, from U/5 up to 12/20.

Chilled or frozen

Chilled on ice for air freight.
Frozen BQF/IQF at –18°C or below for sea freight.

Packing

Chilled: insulated box lined with plastic, ice-packed.
Frozen: 1–2 kg inner pack, 10 kg master carton.

Shipped chilled or frozen. No live products. Size grades and pack weights are confirmed per lot.

EXPORT DETAILS

Giant freshwater prawn: export details.

How udang galah is shipped, documented and priced.

Product and HS code

Giant river prawn, Macrobrachium rosenbergii.
Indicative HS 0306.17 (frozen) and 0306.36 (chilled); confirmed with destination customs.

Shipping mode

Chilled: air freight from Pontianak, in ice-packed insulated boxes.
Frozen: reefer container by sea at –18°C or below.

Documents

Commercial invoice, packing list, certificate of origin. Health certificate and AWB or B/L, issued with the licensed export partner.

Price basis

FOB Pontianak, CFR or CIF on request.
Proforma invoice states price, incoterm, lead time and validity.

Payment

T/T: 50% deposit, 50% balance before shipment.
Sea freight: balance against original B/L.

Samples and lead time

Paid samples first, available at cost.
Lead time and minimum order confirmed with the supplier per inquiry.

Destination requirements (health certificate, approved-establishment status) are checked with the buyer before quoting.

SQUID

Loligo squid in flexible formats.

Loligo spp., wild caught (FAO 71). Cuttlefish, octopus, tubes and rings on request.

Forms and sizes

WR (whole round); sliced or cleaned by request.
U3, U5, U10, U20; 10–15, 15–20, 20–25 cm UP.

Freezing

BQF or IQF.

Packing

2 kg block, inner plastic.
10–12 kg master carton.

FISH

Everyday and premium fish species.

Frozen whole-round pelagic fish and selected chilled or frozen premium species.

Indian mackerel

Rastrelliger kanagurta. 4–6 to 10–12 pcs/kg. BQF/IQF, 10 kg master carton.

Skipjack tuna

Katsuwonus pelamis. Under 1.8 kg, 1.8–3.4 kg, 3.4 kg UP. Brine frozen/BQF at –18°C or below.

Kawakawa

Euthynnus affinis. Whole round, frozen.

Coral trout

Plectropomus leopardus, wild line caught. WGG, chilled or frozen. 500–800 g, 800–1,200 g.

HOW TO ORDER

A simple, written process.

We work request-first: nothing is bought or shipped until the specification, price and payment terms are agreed in writing.

1. Inquiry

Send the material or species, form, quantity, destination and documents needed.

2. Confirmation

We confirm availability, specification and packing with the supplier and send photos of the actual goods.

3. Proforma invoice

Price, incoterm, lead time and validity in writing.

4. Payment

T/T: 50% deposit; 50% balance before shipment (sea freight: against original B/L).

5. Shipping

Packing, documents and tracking. Samples are available at cost.

Seafood shipments are arranged only after supplier and partner confirm stock, size and shipping date in writing.

Start your seafood inquiry.

Send the product, form, quantity, destination and documents required. We reply with availability, price and sample options.
